The Foundation Degree: Marketing Assistant offers a comprehensive course combining the fundamentals of marketing with the legal and organisational aspects of modern business.

In the face of technological change, companies have to adapt to an ever-changing economic and commercial environment. This programme enables students to understand new market expectations and develop appropriate strategies. They will be ready to take up positions in marketing or sales departments in Europe and internationally.

LEARNING OUTCOMES

- Understand the impact of technological developments and adapt to them
- Understand the legal context and its constraints on the digital company
- Master the basics of corporate strategy
- Propose concrete action plans and design follow-up tools
- Work with web project managers on scope statements
- Work with multicultural teams at European and global level
- Use your international marketing skills in the import-export sector
